**Re: EMT Training Fund**

Dear Ms. Maskley:

Thank you for your e-mail regarding your opposition to Governor Corzine's proposed budget cut the EMT Training Fund. I understand that eliminating 4 million dollars from the EMT fund would be devastating to the training program, as well as to the EMT's ability to serve our citizens with the excellent care that they have come to expect. As a former Mayor and an avid supporter of our devoted EMT volunteers, I know how dedicated our EMTS are and feel strongly that they should be afforded every opportunity to receive the best training possible, in order to ensure the greatest level of service for the citizens of our great state. Accordingly, please be advised that I will strongly oppose any funding cuts to the EMT Training Fund as I deliberate with my colleagues on this matter.

If you require anything in the future, please do not hesitate to contact this office.

Very truly yours,

  
Scott T. Rumana  
Assemblyman, District 40
